Dear Member

We're hoping you're keeping safe and your spirits up as the festive season gets underway. Just so you know, our offices will close on 24 December and reopen Monday, 4 January.

However, as usual, our member services department will remain open over Christmas and New Year.

All of us here would just like to express our heartfelt thanks to all the loyal members like you. You've stuck with us through a hard time, both in terms of impact on the travel and hospitality industry, and through the changes we've had to go through.

Your support and positivity kept us going. And, as an unprecedented year draws to a close and a new, hopefully brighter 2021 comes into sight, in appreciation of your support we will continue doing our very best to deliver the best possible service we can.

We wish you and your loved ones a happy Christmas and New Year, filled with all the simple, powerful traditions that lift our spirits and make us strong.

We look forward to seeing you back in sunny Malta in 2021!

From Your Friends at,

VCMS
